and the vendor have agreed to the request of the purchaser and the purchaser agreed to purchase the said Flat having Built Up area of _____ Square feet of the said Residential building together with *proportionate, impartible, undivided interest* in the Schedule -'A' land hereinafter called the said **Residential Flat**.

Here it is specifically understood and agreed that the proportionate impartible undivided share over the schedule land so transferred and sold to the purchaser are subject to variation in accordance with the future construction, if any, that may be made by the vendor over the roof of the top floor of the building and hence the exact proportionate share of the vendor over the Schedule "A" land shall be fixed by the Society or Association that may be formed by the Flat Owner at a future date taking the total

flat/house/shed which might have constructed thereon finally on the date of such fixation of the share and such share shall be treated to be final.

The break up of the above valuation of the property under reference is as follows:-

(I) VALUE OF THE LAND

Total land area over which the building comprising the Flat/Structure under reference measures an area of **724.91 Square Meters** and by So the valuation of the land is Rs. _____/- per decimal or for **Sq.Ft** as per Government specification.

Total land area over which residential building is comprising the Flat/Structure under reference measuring an area of **724.91 Square Meters** of land which is of Gharbari Kisam. The valuation of the land has been fixed at **Rs. _____/- per decimal** or say for **sq.ft.** as per the rate fixed by the Government.

The vended flat measures an area of _____ **sq.ft.** the total structure of all the Flats including the vacant area/space kept by the vendor over terrace is _____ **sq.ft.**. The buildings of all the Flats have been constructed over _____ **sq.ft.** of land (Ac.0.510 dec.). The vended Flat measuring _____ **sq.ft.** and thus the impartial proportionate share of the purchaser over the land would be _____ **sq.ft. of land / _____ sq.ft.** of construction including vacant area x _____ **sq.ft.** (vended Flat) = _____ **Sq.ft.** of land.

So the total valuation of the impartible proportionate undivided share of the purchaser over the land of _____ **sq. Ft.** which comes to **Rs. _____** is sold to the purchaser through this instrument.

(II) VALUE OF THE STRUCTURE
