TO WHOMSOEVER IT MAY CONCERN

This is to state that NAND VATIKA Developers Pvt. Ltd., the developer of the project, is desirous to construct “NAND VATIKA GREENS” as an environment friendly housing project. All the necessary design implementations and construction practices are to be taken up.

- The project site has a 30 ft wide access approach road to the area which has been mentioned and described in the Sales deed submitted
- The internal roads have been designed as per the norms in the Building Bye-Laws of the Ranchi Municipal Corporation
- Pathways and roads have been provided all across the project site for complete circulation and movement

On behalf of the company, this is to state that the above statement is true.

Thanking you.
